

DETAILED ACTION

Response to Amendment

1. This action is in response to the communication filed on 2/16/10.
2. Claims 29, 30 and 32-35 were previously cancelled.
3. Claims 1-28 and 31 are pending in this action.
4. Claims 1-28 and 31 are allowed.

Allowable Subject Matter

Claims 1-28 and 31 are allowed.

The following is an examiner's statement of reasons for allowance: the reason for allowance is clear from the prosecution history. Regarding the process/method claim 31, the detection section (fig. 1, element 108) and the setting section (fig. 1, element 110) are the particular apparatuses that perform the steps recited therein, i.e., in claim 31. Thus, claim 31 is a statutory process/method claim under § 101.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
